Visitor Lunch Table

Da Vinci welcomes adults to have lunch with their child at our special visitor table to enjoy each other's company while eating!

The lunch times are as follows:

10:15-10:45 Middle School

10:47-11:17 Kindergarten - Grade 3

11:20-11:50 Grades 4-5

Please sign in and out in the office efficiently with Ms. Erika at the beginning and end of your lunch visit. This will allow our staff to transition quickly for the next group.

Spring Conferences

Spring conference sign ups will be available starting January 24th, 2024 at 8:00 am. As a reminder, Spring Conferences for **elementary students** will be **math only**. Please do not sign up with your student's ELA or base team teacher, as we need to make sure we have enough space for all of our students to have math conferences. Middle school students may sign up for conferences with as many of their teachers as they would like. If you have any questions or concerns about conference sign up, please reach out to Erika in the office. You can find the link for conferences [HERE](#).

Da Vinci Game Night

Join us on February 8th from 5:30-7:30pm for a game night in the gym at Leonardo da Vinci! Families K-8 are welcome to join for a night of fun. Games will be provided by Gnome Games and the da Vinci PTO will provide a light snack. See you there!

Community STEM Showcase

On Friday, February 9th, 2024, the Einstein Project will be hosting a Community STEM Showcase. This is an opportunity for individual students, teams of students, or classrooms to show off a project that they have been working on. Science experiments, inventions, research projects, engineering prototypes, robotics, maker creations, and computer programs or apps are just some ideas of various types of projects that can be shared. While similar to a science fair, this event will not be judged.

Students will have the opportunity to share their project and engage with event attendees, including STEM professionals! It is also a great opportunity to inspire others by sharing their passion and creativity. To register, please click [HERE](#).

Welcome to 2024!

If you're like the majority of people who make New Years Resolutions and want to focus on fitness and/or health, we have just the event for you! The 10th annual PI Day 5K-Green Bay WI is coming up on March 16, 2024. The Pi Day 5K race has donated over \$160,000 dollars to Greater Green Bay Habitat for Humanity over the years. **This year we have a new non-profit that we are going to help. The non-profit of 2024 is Old Glory Honor Flight.**

And did you know that the phenomenal 5th-grade leadership team at Leonardo da Vinci School for Gifted Learners plans this entire event?

Help the students learn about community giveback and making a difference while you have fun in this 5K walk/run this year.
