A Note from Mrs. Follett and Mrs. Griffith

Good Afternoon da Vinci Dragons! You have made it another week of virtual learning and we are very proud of you! In a world of virtual learning, remember to find the things that help you smile and feel happy. This week and up until our winter break, you will have the opportunity to take fun “selfies” together as a family. We have also included a fun family activity to get you thinking about a place you would love to visit! Check out the fun activities below and remember to SMILE! :)

Mindful Minutes and Encourage-mint with Mrs. Follett

If you have a few extra minutes this week, take some time to take a break and become mindful, with another mindful minute card! Also, you will find some positive mindset bracelets for you to color and hang up around your house, if you are able to print them off! Virtual learning can be tough, and these bracelets are good reminders of how awesome each of you are!
